

If the proposed sales tax amendment had been in effect during the past fiscal year, the State of Michigan would have incurred an operating deficit of \$35,000,000.

Such is the judgment of Fred C. Striffler, Michigan Budget Director.

The deficit would have occurred during boom-time inflation. It could have resulted only if the state had continued to maintain duly authorized public services as determined by the state legislature. Actually, it is likely that drastic economies would have been instituted by a badly worried governor and state administrative officials who shun red ink as they do higher taxes.

Insane people could be denied admission into state hospitals, for example. Welfare payments could be slashed, if possible. Other money-saving measures could be resorted to in an effort to pull the deficit down.

State Senator Don Vander Werp, chairman of the senate finance committee, and Representative John Espie, chairman of the house ways and means committee, are known to be firmly opposed to the tax amendment. They have warned associates that the amendment would be undesirable in the interest of good government and that new taxes would be inevitable if it were to be approved.

## Clement Named County Head

Ray Clement was named chairman of the Crawford County Republican Committee at a meeting held late last week to succeed Charles E. Moore, who was nominated for the position of Lieutenant Governor of Michigan Kiwanis.

Moore had taken the position reluctantly after the resignation of Probate Judge Carl W. Peterson, who entered business in Gaylord. Following Moore's nomination to the high Kiwanis office, he said that he felt both jobs were too much.

Clement, who was an unsuccessful candidate for County Clerk in the primary election, is a native of Grayling. He was for a time employed in the city clerk's office in Detroit and in the City of Detroit Recorder's Court.

He moved back to the city of his birth about 10 years ago. He has been very active in many civic affairs and is well-known here.

## Oldtimers' Contest to Be Annual Affair

Walter "Duke" Dudewicz, proprietor of the Duke's in Gayling and Jesse "Old Man of the North" Green, owner of Green's Tavern in Roscommon, announced today that the Labor Day Oldtimers' Game, which was played on the Grayling ball field, was the first of what they hope to be an endless string of such games.

The contest afforded not only a great deal of fun for the spectators who turned out in large numbers for the game, but the contestants themselves all had a marvelous time. Both team sponsors feel that as the years roll along the game will assume a traditional character, and the populations of both towns entering in the spirit of friendly rivalry.

Outside of a few stiff backs and sore muscles there were no hard feelings after the game, both men said.

For a complete picture layout on the game, turn to page 5 of this week's *Avalanche* where Duke's Hotel is sponsoring a group of fifteen action photographs by Bob Brooks, local photographer.

## Fined for Picking Up Dead Deer

Apprehended Sunday night on M-72 in Hanson State Game Refuge for picking up a deer after it was killed by a car, cost a Life Lake man \$25.00 and court costs of \$6.60.

All game is the property of the state of Michigan until legally taken into possession during the open hunting or trapping season by the hunter. Picking up game killed on the highways by motorists constitutes a violation. Such game should be reported to the proper authorities so it can be taken care of, said Conservation Officer Clarence Roberts.

Roberts also pointed out that all gun permits will be valid from September 19 until October 5. According to the Public Act, the 15 days preceding the opening of the small game season it shall be unlawful to carry a gun in the woods. Breaking this act constitutes a misdemeanor punishable at the maximum by a \$100 fine and a 90-day jail sentence, and confiscation of property.

Ray Horner of Frederic pleaded guilty in Justice Court before Justice Emil Giegling Saturday of petty larceny and was fined \$15 and costs. He was apprehended by Sheriff John A. Paendick for the theft of four doors from a building on state land.

## Death Takes Mrs. Margrethe Hanson Tuesday

### Kim Sigler, GOP Candidate Speaks, Spends Night Here

The Republican candidate and his party arrived in Grayling at about 4:30 Thursday afternoon and proceeded to the Hartwick Pines State Park for a glimpse at the famed virgin cork pines.

They returned to the Shoppingtons Inn where the Republican county candidates and county committee honored the visiting candidate with a dinner. Sigler was introduced by Prosecuting Attorney Charles E. Moore and amazed the gathering with his phenomenal remembrance of names and data about each local person present.

Following the dinner, the gathering moved on to the High School where a group estimated at between 150 and 200 heard the silver-haired former special prosecutor tell of his experiences during the uncovering, indicting and, in most instances, convictions of the bribers and bribe receivers.

He explained to the crowd that his visit to all of the counties of Michigan (Crawford County was No. 77) against the advice of the political "wiseacres." He praised Michigan's vastness, the Upper Peninsula and the delightful north country.

At every stop, Mr. Sigler invited his audience to question him on any matter regarding politics, the grand jury, or his own personal life.

The "forum" usually developed into a round robin discussion very much like a lodge or church meeting. While many ticklish questions were asked, all were answered except those that would violate grand jury secrecy.

The long arduous trip was made at Mr. Sigler's insistence. In explaining it to old time politicians, who advised spending more time in the metropolitan centers, he said: "I'll meet people. Michigan needs a salesman."

He said "Texas and California native sons are not backward in telling you of the glory of their respective states. They don't wait for you to arrive, they buttonhole you on the trains and buses and start pouring it on about the natural wonders of their state before you even cross the boundary."

The party adjourned to F. C. Murray's Lincoln Lodge Farm, east of Grayling on the Ausable River for the night and were joined by Charles Moore, Ray Clement, George Burke, Earl Burns and Robert Strong for breakfast Friday morning.

The former trial lawyer showed an intense interest in Crawford County's problems, trials and victories. His investigation abilities were really brought to light when a question arose which interested him, he would pick local men with queries concerning the problem and would not stop until he was satisfied that all angles and perspectives

### Charles E. Moore Nominated Kiwanis Lieutenant-Governor

Charles E. Moore, past president of the Grayling Kiwanis Club and Crawford County Prosecutor, was unanimously nominated for the office of Lieutenant-Governor of the 8th Michigan District of Kiwanis at a district meeting held at Camp Manistee near Manistee last Wednesday night.

Mr. Moore's name was placed in nomination by Elmer Lake of the Grayling Kiwanis Club who told the assembled delegates of the nominee's Kiwanis and public service record. The election to the office, a mere formality, will take place at the State Kiwanis Convention at Grand Rapids the last of this month. In that only one man was nominated by the district convention, it is practically the same as election.

Upon Mr. Moore's taking office the first of the year, the responsibility of the whole northwestern section of the state as far as Kiwanis activities are concerned will be his job. Six separate clubs are represented in the 8th district, they are: Manistee, Cadillac, Traverse City, Houghton, Lake, Gaylord and Grayling.

The only other local man to be so honored by elevation to this high office in Michigan Kiwanis was Emil Giegling who held the position about 10 years ago. He, along with Mr. Moore, Earl Burns and Robert W. Strong attended the Manistee meeting as delegates from the local club and heard Michigan Kiwanis Governor Dan Heathcote of Kalamazoo give the main address.

The Manistee club was host at the meeting and the program was under the direction of present 8th District Lieutenant-Governor Max Hamblin of Manistee.

Royale Wright of Grayling was the guest speaker at a meeting of the Wayne County Sportsmen Club last Wednesday night. Over 700 members of the club were in attendance to hear the Grayling man talk on the inconsistencies of the Department of Conservation's Fish Division. The September issue of their magazine also carried a long article by Mr. Wright on the same subject.

Miss Phyllis Morris spent a few days visiting in Grayling this week.

William Sorenson spent the weekend with his parents, Mr. and Mrs. Carl Sorenson, Bill is a student at L.B.U. in Lansing.

### Record 673 Enrollment Crowds School

#### Music, Vet Classes Add to Program

Completed enrollment figures gave the Grayling Schools a record enrollment with an all time high of 673 pupils, well over the peak of 657 in 1939. Included in the 1939 figures was the 356 enrollment in the elementary grades compared to the 388 this year.

Grade enrollments have been so high that it was necessary to divide the third grade of the north side into two groups with each attending school a half day. This schedule will of necessity be followed until such time as a place, teacher, seats and supplies can be obtained.

The high school program is the best in years. Classes are very well divided and below the 40 mark with two exceptions. More space is a need that grows into a larger specter each year, however.

A program of remedial reading and spelling has been necessary into the Junior High and promises to be a valuable part of the curriculum. Two fire drills have already been held. Monday an announced drill cleared the building in three minutes while an unannounced drill the following day emptied the structure in 2 1/2 minutes. Both drills were orderly and the teachers carried out their part exceptionally well, the superintendent's office said.

Over one hundred and fifty guests witnessed the nuptial high mass read Saturday morning at 9 o'clock by the Rev. Fr. Francis Branigan in St. Mary's Church, uniting in marriage Miss Shirley Ann Carrievau, daughter of Mr. and Mrs. Louis Carrievau and Edmund Rutkowski, son of Mr. and Mrs. Stanley Rutkowski.

The double ring ceremony was read before an altar bearing bouquets of gladiolus and assorted fall flowers. During the mass, Mr. Leo Koerper sang "Ave Maria" and "This Day Our Beautiful Mother."

A white satin wedding gown was worn by the bride who was given in marriage by her father. A train was attached to the gown and with this the bride wore a finger-tip veil and carried an arm bouquet of white roses.

Miss Mary Strauche of Detroit, aunt of the bride, as maid-of-honor wore a forest green moire floor length gown and carried an arm bouquet of yellow mums. A similar bouquet was carried by bridesmaid, Miss Ann Gibbon, of Detroit who was attired in a rust mure.

Louis Rutkowski, brother of the groom was best man and the guests were seated by Robert La Motte.

For her daughter's marriage Mrs. Carrievau wore a black sheer crepe with a corsage of yellow and white baby mums and red roses. A similar corsage complemented the black velvet dress worn by the groom's mother.

The bride is a graduate of St. Theresa's High School in Detroit and the groom of Grayling High School. He served three years in the armed forces as an aviator.

An all day reception was held for 200 guests at the Black Bear Inn by the bride's parents, with breakfast being served at 10:30 and dinner at 2:30. The bridal table was centered with a tiered wedding cake and bouquets of fall flowers. The day was also the twentieth wedding anniversary of the bride's parents.

The couple left for a honeymoon in Northern Michigan returning on Monday to spend the week at Lake Margrethe before leaving for Mt. Pleasant where the groom will be a student at Central Michigan College of Education.

Out of town guests included: Mrs. J. Strauche, Mr. and Mrs. N. Strauche, Mrs. H. Bishoff, D. Denkhous, Mrs. J. Carrievau, Mr. and Mrs. J. Carrievau, Mr. and Mrs. F. Seltopper, Mr. and Mrs. V. ### Roscommon Foe In Home Opener On September 27

The Grayling High Green and White football squad travels to Pellston tomorrow to meet the first of eight foes on the fall agenda. The first home game is with Roscommon on Friday, September 27.

The big threats in the Northern C League this year are Charlevoix and Manistee, both of whom will meet Grayling on the local field, affording local fans of two of the top contests of league play this year.

Coach Willard Cornell of the Grayling team is in high spirits over his squad of 37 aspirants and for the first time in his career here is able to place three complete teams on the green sward.

The large squad is led by letter winners Phil Keway, Ed Carlson, Harry and Dick Miller, Grimsdahl, Goss, Smock, Chuck Feldhauser, Hanna and Jim Douglas.

180-pound Jim Crawford, recently released from the Navy, and Earl Rasmussen, letter winner from Marquette High School, have helped Mentor Cornell rest easily these last nights. Returning from last year's reserve squad and showing a lot of promise are: Burns, Bielaki, Kraage, McNamara, Barber, John Rasmussen, Hanson, Marty Kitchen, McEvers, Parkinson and Richards.

Scrimmage sessions have just been started by Coach Cornell and the competition for starting positions is very spirited. Newcomers to the squad to fill it out to the full 37 members are Lozon, C. and V. Paendick, J. Feldhauser, R. Rasmussen, G. Crawford, A. Peterson, M. Niederer, J. Keway, J. Trudeau, E. Miller and T. Nielsen.

At this point starting assignments are far from settled but leaders for the spots at kickoff time are Ed Carlson and Phil Keway for the left half-back and fullback slots, they will probably divide time in the positions as they are promising kickers and passers. Smock, who teamed with Ted Bennett last year as one of the touchdown twins, is almost sure to start in his old spot at right half. He, however, is being pushed for this spot by Parkinson, Richards at left half and R. Rasmussen at full are also coming along nicely. Chuck Feldhauser and Earl Rasmussen are putting on a ding-dong battle for the starting assignment at quarterback with

### First Fall P.T.A. Meet Well Attended

The first fall meeting of the Crawford County Parent Teachers Association held in the Grayling High School Gym last Wednesday evening got off to a good start with about ninety teachers and parents present. The affair was by way of being a welcome to the teachers, both new and old. Parents were appointed by Mrs. Eugene Paendick and her committee to call for and bring the teachers to the meeting, thereby furthering the get-acquainted motive of the get-together.

President Joseph Lennert opened the meeting which he turned over to Mrs. June Gross who played the piano accompaniment while the group sang "America" and "Smiles." Supt. Frank Bond then introduced the teachers. Mrs. Gross presented several of her pupils in a musical program. A vocal solo, "The Golden Rule" was sung by Bethlyn Helzel, a piano solo, "Edelweiss Glide" was rendered by Joan Andrews. A piano duet "Concert Polonaise" was played by Christine Sales and Mrs. Gross. Greta Rasmussen sang "Off to School" and Phyllis Ziebell played "The Gypsy." The group then joined in singing "God Bless America."

Tea, coffee and cake were served from a table covered with a lace cloth and centered with a bouquet of baby mums guarded by tall tapers. The table was flanked by two large baskets of gladiolus. Miss Marguerite Benson, Mrs. George Granger poured.

The decorating committee is to be complimented on the homey atmosphere of the gym which was brought about by a tastefully arranged furniture and bouquets of autumn leaves.

The first meeting was sponsored by the officers, namely Joseph Lennert, Pres.; Ernest Larson, 1st Vice-Pres.; Wesley Kumpula, 2nd Vice-Pres.; Mrs. Earl Mathewson, Treas.; Miss Marie LaMotte, Sec.; Mrs. Harry Souders, Hospitality Chairman; Richard Lovely, Program Chairman; Mrs. Eugene Paendick, Membership Chairman and Mrs. Robert Strong, Publicity Chairman.

Mrs. Earl Mathewson was in charge of the decorations at Wednesday's get-together and was assisted by Wesley Kumpula, Mrs. Eugene Paendick, Earl Mathewson and Ernest Larson. Mrs. Harry Souders was assisted by Mrs. Norval Stephan, Mrs. H. Petersen, Mrs. Art May, Mrs. Felling, Mrs. Clarence Roberts, Mrs. Harold Hatfield, Mrs. Leo Lovely and Mrs. Wm. La Rush. The meetings to follow will be sponsored by the room mothers.

There were two slips in the Ladies bowling news last week. Last year's champs, the Jarmin Insurance team, was left out of the lineup entirely. The team sponsored last year by Gierke's High Speed will be known this year as Porath's, sponsored by the owner of the Northwood Alleys.

Mrs. A. J. Joseph formally entertained a few friends for tea Friday afternoon before the departure of Mrs. Herbert Wolff and daughter, Mrs. Halford Kitleman for their respective homes after spending the summer at the Wolff's Den at Lake Margrethe.

### Services To Be Held At Home Friday At 2:30

Death closed the career of Mrs. Margrethe Hanson at the age of 101 years and 10 days at 11:07 Tuesday night. Although she had been up and about on her birthday a week ago Saturday, death was attributed to her advanced age. She had been ailing, however, but a few days.

Funeral services are to be held at the home on Fenicular Street on Friday at 2:30 o'clock with the Rev. Svend Holm officiating. Interment will be in Elmwood Cemetery in the family mausoleum. Pallbearers have not as yet been named.

Mrs. Hanson was born on September 7, 1845 at Boto Paa Falster, Denmark. She came to this country in company with her brother, John who had come home for a visit, at the age of 24.

The brother and sister went directly to Manistee, and Margrethe found employment. In 1867, she was united in marriage to Hans Hanson, a young Manistee lumberman.

She and her husband were hard-working and thrifty, and soon had established a good home and were laying the foundation for their future security. They had seven children, five of whom they raised to adulthood, and three of whom reside in Grayling. They are a daughter, Mrs. Margrethe Graham, and two sons, Thorwald and Ebern. Their eldest daughter, Mrs. Henry Bauman, passed away here in 1942, and son, Oscar, on November 2, 1945.

Mrs. Hanson's only interest outside her home was in her church. She was a member of the Danish Lutheran Church, and during their stay in Manistee, she was presented with a gold watch for being the most energetic and popular matron in her church.

In 1878, the family moved to Grayling, and established the firm of Salling, Hanson & Company. Mr. Hanson had done jobbing and logging with Ernest M. Salling and Neil Mischelson in Manistee, and the three were members of the Grayling firm. The family moved in above the "Company Store," now housing Hanson Hardware Co., later building an apartment home in which Mrs. Hanson resided.

The Salling Hanson Company prospered and expanded, and Mr. Hanson became associated with many other commercial and financial enterprises. The family has made many contributions to the country of their adoption, foremost among which is the gift of 15,000 acres of and bordering Portage Lake to the state for a training camp for the Michigan National Guard. The lake was renamed Lake Margrethe, in honor of the loyal wife who contributed so much to her husband's success in life.

Mr. Hanson passed away October 31, 1927, at the age of 81 years, soon after their sixtieth wedding anniversary. Mrs. Hanson had continued many of his contributions to the community, living quietly, her greatest joy continuing to be her family.

In addition to the three children living here, she has seven grandchildren: Mrs. Margrethe Bauman, of Grayling; Mrs. Helen Routier, of Detroit; Mrs. Walter Woodson, Jr., of Salisbury, N. C.; Mrs. Ella Wilcox, of Grayling; Mrs. Richard Snyder, of Saginaw; Ebern Hanson, Jr., of Alma; and Mrs. Earl Taylor of New York. Mrs. Hanson took special pride in being a great-grandmother, too. Her great-grandchildren, are Ralph Routier, Grace Matilda Woodson, Nancy Hanson Wilcox, Margrethe-Kristian Snyder, and Judith Hanson Taylor.

Early Thursday morning, car thieves stole Joseph Kessler's car which was parked in front of his mother's home on US-27. The doors were unlocked but the ignition was locked. The vehicle was discovered Friday morning on a side trail near the Grayling Army Air Field. The four tires had been stripped from it, as had the radio, heater, and a sidearm mirror. A flashlight and camera were stolen from the inside of the car and a hole punctured in the gas tank and the fuel drained out.

A neighbor of the Kesslers, Mrs. Felix Tobias, told Sheriff John A. Paendick, who investigated the theft, that she was awakened by noise about 3 a.m. and looking out her window saw what she thought was Kessler's car being towed away by a roadster or coupe.

A large scale investigation is under way by county law enforcement men as well as State Police in that incidences of the same nature have occurred during the past weeks in Gaylord, Manistee, Kalkaska and Elk Rapids.

## HIGH SCHOOL HOST AND HOSTESSES

The Host and Hostess Club was organized last week under the sponsorship of Betty Jean Failing. The following students have scheduled the first 12 weeks:

## DUTIES AND SUGGESTIONS FOR HOST AND HOSTESSES

1. Pick up absence slips about fifteen minutes after each period begins. Fourth period the grade slips must also be collected.

2. When necessary, call students or teachers to phone. Use schedule to help you to locate them.

3. As people come in the front door, greet them politely, ask if you can help them. If they are looking for a certain room or person, help them do so. Each person coming in to visit a teacher or room must fill out a visitor's pass and carry it with them, to be returned on his way out of the building. He must also register his name in the register book.

4. Greet folks with a smile. If they must wait a while, help them find a chair. It is best for guests to wait in the office and bring the student to them in the office.

5. Be on your good behavior. We won't expect hosts or hostesses to be chewing gum, talking loudly or in any way being a poor example for other students.

**NOMINATIONS**  
The Civics class helped the junior and senior high school grades nominate candidates for the class offices last week on Monday. Harry Miller of the Civics Class explained the ballot and how to vote to the assembly.

Last year's record books were checked by a committee from the class to determine those eligible to hold office. To be eligible one must have a "C" average in school or better and have been enrolled in the class last year.

The election was held Tuesday and the results will be published in next week's paper.

**BAND**  
Last Saturday Mr. Christian and Mr. Bond took 18 band instruments to Traverse City where it was arranged to have them repaired and overhauled.

A sizeable list of music and supplies was obtained or ordered so that there should be an adequate supply on hand when the instruments are returned.

**X-RAY**  
On Monday Mr. Linden of the Michigan T-B Assn. was here and gave chest x-rays to about 20 people.

**ELECTED LEGION AUXILIARY OFFICERS**  
At a regular meeting of the American Legion Auxiliary held at the American Legion hall Tuesday evening, September 10 the following officers were elected:

## To Lay Plans For Coming Snow Season

The East Michigan Winter Sports Council will meet Wednesday, Sept. 25 at the Summer Trails Inn, Standish, to lay plans for the coming season. President Richard H. Fletcher, Jr. announced today.

On the meeting's agenda, which will be a noon luncheon, will be election of officers, settling of an operating budget, arrangement of a advertising program, and the clearance of dates for winter sports festivals.

Last year the council expended approximately \$5,000 advertising and promoting winter sports in this area. Ten days ago, the East Michigan Tourist Association led the financial way for this year's program when its executive committee appropriated \$1,500 for the council's use.

"Letters of invitation to attend the meeting and participate in the program have been sent to the 14 communities who worked with us last year," Fletcher said. "However, any other communities in the area who plan to do things with winter sports are welcome to join the council. The meeting is open to all communities desiring to participate."

Working actively in the council last year were: Saginaw, Bay City, Roscommon, Grayling, Gaylord, Lewiston, Alpena, Silver Valley, Standish, Pinconning, West Branch, Harrison, Detroit, and Hubbard Lake.

## Sales Tax Amendment

Michigan voters will be called upon November 5 to determine whether one cent of the retail sales tax shall be returned to local units. The proposed amendment without a doubt be a boon to overburdened local governmental units and schools. However, it might have a strong "kickback" in a few years with the result that any and all state aid to these units might be severely reduced.

Our system of government has always been based on the strong foundation of local self destination. During the past decade, we have observed the growth of a powerful centralized government in our national capital with its resulting confusion, red tape and very poor record of actual accomplishments in internal problems. That this might happen on a state scale with all of the additional impediments is so unthinkable that we would be against this amendment if only for that one reason.

Further sound reasons for a "no" vote on this amendment are about us. At this time no formula for the division of the sales tax has been written which would be fair to all sections of the state. Under the proposed amendment, the tax would be split on a per capita basis. Crawford County at one time paid the highest per capita sales tax in the state of Michigan and although late figures have not been perused, it's safe to assume that we are still mighty close to the top. In other words, we would like to split on actual tax paid as we would benefit by the thousands upon thousands of dollars spent here by residents of other Michigan cities and other states. That split, however, would be unfair to the other cities of the state.

Due to the possible degenerations of local government, the fear of a later heavy withdrawal of aid, and the fact that no really sound formula is yet written, this amendment should be turned down by the voters of the state.—R.W.S.

One-half hour before sunrise to one-half hour before sunset is the legal daily span for shooting waterfowl this season, but hunters are cautioned against guessing the starting and stopping hours from a glance at the sky. A watch and the official timetable will be much more dependable, the conservation department advises. Since the hours vary from week to week and from county to county, hunters are advised to clip the above official timetable, or consult local conservation officers for specific information on local shooting grounds.

Here's the latest idea in motor oils... remove the "goo." Get rid of engine deposits of soot, varnish, carbon, and sludge... and you definitely improve the go! There's nothing to stifle power, stick rings, or put a damper on free valve action. You get a sweeter-running engine... a better-lubricated, longer-lasting one, too.

Permalube, Standard's great new motor oil, gives you this premium-plus lubrication. It does more than thoroughly lubricate... it cleans your engine and keeps it clean.

For Permalube contains a patented ingredient that not only cleans up deposits already present, but also prevents new ones from forming. It keeps engine dirt in harmless suspension... unable to interfere with free valve action strokes. The "goo" drains out when you change oil.

So, remove the "goo." Improve the go! Change to Permalube, Standard's finest motor oil, 20 or 30.

# BILLY BRAND

STORIES OF HOW NAMES HELPED MAKE AMERICA GREAT

THE FIRST PINS WERE THORNS OR FISHBONES, BILLY.

EARLY EGYPTIAN PINS WERE SIX OR EIGHT INCHES LONG AND HAND-FORGED OF BRONZE.

WE CALL THESE "STILLETS" PINS. WEALTHY NOBLES USED THEM TO HOLD THEIR HAIR IN PLACE AND FASTEN CLOTHING.

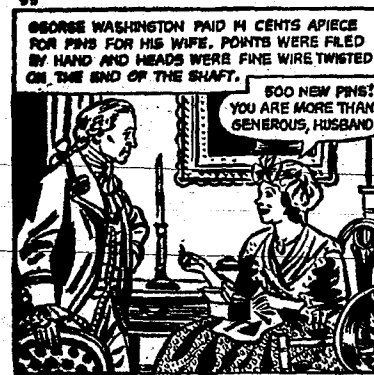

PINS WERE "JEWELS" TO ANCIENT GREEKS AND ROMANS AND THROUGH THE MIDDLE AGES.

AFTER "COMMON" PINS WERE INVENTED, THEY WERE SO EXPENSIVE THAT BRITISH PIN MAKERS WERE ALLOWED TO SELL THEIR WARES IN "OPEN SHOP" ONLY TWO DAYS A YEAR.

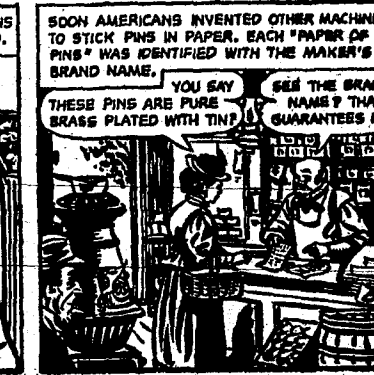

I'VE BEEN SAVING FOUR PINS FOR MY DAUGHTER FOR NEW YEAR'S GIFTS. I WILL GIVE MY PIN MONEY FOR A WEDDING PRESENT.

GEORGE WASHINGTON PAID 14 CENTS A PIECE FOR PINS FOR HIS WIFE. POINTS WERE FILED BY HAND AND HEADS WERE FINE WIRE TWISTED ON THE END OF THE SHAFT.

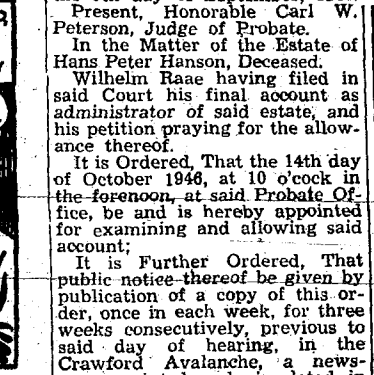

ALL PINS WERE HAND MADE UNTIL AMERICANS INVENTED PIN-MAKING MACHINES ABOUT 1830.

DR. HOWE HAS QUIT THE HOSPITAL STAFF TO SET UP A BELIEVE IT OR NOT PIN FACTORY, USING HIS MACHINES, IN CONNECTICUT.

SOON AMERICANS INVENTED OTHER MACHINES TO STICK PINS IN PAPER. EACH "PAPER OF PINS" WAS IDENTIFIED WITH THE MAKER'S BRAND NAME.

AS COMPETITION BETWEEN BRANDS INCREASED, MANUFACTURING METHODS IMPROVED AND COSTS TO CONSUMERS LOWERED UNTIL NOW 150,000,000 PINS ARE USED IN THIS COUNTRY EVERY DAY.

I LIKE THE SAME BRAND PINS. I LIKE THE SAME BRAND PINS. I LIKE THE SAME BRAND PINS.

## WAGs May Reenlist for Pacific Theater

The War Department has informed T/Sgt. David M. Moore of the local Recruiting Station that WAGs may now reenlist specifically for the Pacific Theater. Previously, former WAG members have been able to reenlist for duty in the United States and the European Theater. With the Commanding General of the Pacific Theater's request for additional WAGs, every theater has now gone on record as favoring more WAG members in their commands. The WAG has distinguished itself in all overseas theaters by an outstanding performance of duty.

At present, reenlistment for the Pacific Theater is limited to WAG veterans with experience as a clerk, clerk-typist, stenographer or an administrative N.C.O.

Detailed information on reenlistment can be secured from the Recruiting Station at the Grayling Post Office between 0800 and 1200 every Wednesday, or 1224 E. Front St., Traverse City, Mich.

been intensely devoted to the progress of the State of Michigan as the over all governing authority with definite responsibilities for definite public services.

He has been aggressive in fighting for what he considers to be the people's priority of needs. He staunchly opposed attempts of the big city mayors to grab a slice of the state funds. Anyone who has followed Harry Kelly can safely bank on his recommendation to vote no on the tax amendment.

The Michigan Education Association may be counted on also to present convincing arguments as to why the new amendment would avert a "collapse" of the public schools, a prospect that

appears to be again on the horizon.

We referred last week to the comparative low salaries paid to school teachers, the increasing difficulty of getting enough new teachers to fill needs, the obsolescence of many school buildings and other factors in the postwar picture.

The sales tax amendment would be a bonanza to many rural schools. Some schools would receive more funds than they actually need for present-day serv-

ices. Thus there is a temptation for some rural voters to modernize their rural schools at the expense of people living elsewhere.

Public schools now receive \$80,000,000 in state aid. Under the new amendment they would get approximately \$100,000,000 a year, based on last year's tax collections. This is a substantial boost. It is our hunch that the MEA decided to back the amendment as a bargaining lever to get more state aid in 1947, even if the amendment is lost on November

From the above evidence—the budget director, the auditor general, the reported coolness of the state treasurer and the recorded opposition of the two legislative finance committee chairmen—you may guess readily what Governor Harry F. Kelly's conclusion is going to be.

At the right time the governor is going to issue a blast against the amendment in no uncertain language. In fact, he will probably denounce it roundly.

Throughout his four years of state service, Governor Kelly has
